

OXFORD SCHOOL OF CLIMATE CHANGE

JANUARY TO APRIL 2018

Do you care deeply about preventing climate breakdown and finding answers to the most pressing questions in climate policy and science? Apply for the Oxford School of Climate Change! From January 2018, join the Oxford Climate Society's eight-week seminar series bringing together Oxford's students who are most committed to tackling climate change. Participants will get the unique opportunity to participate in high-quality seminar sessions with some of the most distinguished lecturers on the respective topics.

Check our social media for more details that will be released soon!

Applications will open in 4th week.

Here's the full programme:

Week 1: **The Science of Climate Change** with Helen Johnson (Royal Society University Research Fellow and Lecturer at the University of Oxford)

Week 2: **The Impacts of Climate Change on the Developed World** with Jim Hall (Director of the Environmental Change Institute, University of Oxford)

Week 3: **The Impacts of Climate Change on the Developing World** (Lecturer TBC)

Week 4: **Climate Change Mitigation: The Economic Challenge** with Cameron Hepburn (Director of the Institute of New Economic Thinking, University of Oxford)

Week 5: **Energy Policy and Climate Politics** with Nick Eyre (Professor of Energy and Climate Policy, University of Oxford)

Week 6: **Climate Change and the Mobility Challenge** with Debbie Hopkins (Department Research Lecturer at the Transport Studies Unit, University of Oxford)

Week 7: **Global Technological Interventions and Governance** with Steve Rayner (Director of the Institute for Science, Innovation and Society, University of Oxford) and Myles Allen (Professor of Geosystem Science and Leader of the Climate Research Programme at the University of Oxford)

Week 8: **The Social and Political Realities of Mitigation** with Benito Müller (Convenor of International Climate Policy Research, ECI, University of Oxford) and Thomas Hale (Associate Professor in Public Policy, Blavatnik School of Government, University of Oxford)

Oxford **Climate** Society

TERM CARD

Michaelmas Term 2017

WHO ARE WE?

OCS is dedicated to developing informed climate leaders. We are student run and supported by our senior member, Professor Myles Allen, an Intergovernmental Panel on Climate Change lead author.

WHAT DO WE DO?

OCS organises free events every week of term time covering a wide range of issues relating to climate science and policy, and our Media and Research team analyse the latest developments in climate science and politics.

THE OXFORD SCHOOL OF CLIMATE CHANGE

From January 2018, we will also run the Oxford School of Climate Change, an eight-week seminar series tackling the biggest climate issues. Check out the details on the back of the term card!

Follow us on social media to stay updated or visit our website and join our mail list! Feel free to get in touch with us on Facebook or by email at: oxfordclimatesociety@gmail.com

SEE OVERLEAF FOR THE GREAT EVENTS WE HAVE PLANNED FOR THIS TERM.
